Subject: Chat with Clark Robinson
From: Clark Robinson <robinsonchicago@gmail.com>
To: barriticus@gmail.com

me: can you come onto IRC?
me: we have an anthropologist who gives talks on Anonymous
me: "biella"
Clark: ok
me: and a couple of new tech people
Clark: ok, upvoted it
me: thanks
me: it's been a busy week
Clark: me
me: ah
me: yeah, I figured it out
Clark: does this meeting have a focus?
me: it did earlieer
me: Campbell was in
me: to talk with new tech people about how to better organize our efforts in North Africa
me: I believe they're on it
me: just wanted you to meet new folks
me: particularly biella
me: you should see all the Tunisians I've talked to
Clark: ok, send me his e-mail and I will send him links to read
me: they're extraordinarily grateful to Anonymous for the help
me: even emotional support and the like provides substantial encouragement which translates into action
me: I'm supposed to turn in that film treatment to Green on Friday
me: hopefully that will produce some funds
me: see, this PK3 guy is good
me: practical, imaginative solutions that will be useful to thousands
me: work ethic, dedication
me: very ethical
Clark: he is canadian?
me: well, he's a member of the Unitarian Church up there
me: don't think he's from canada originally
Clark: looked like a canadian ISP
me: yeah, he lives there
